Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner left a telephone message with Martin Moynihan indicating that due to an error in the previous Examiner's Amendment, a new Examiner's Amendment would be sent. The Examiner had erroneously indicated that claims 18 and 19 were allowed, in the previous Examiner's Amendment, and they, in fact, should not have been allowed because they depended from claim 17 which was cancelled. Martin Moynihan returned the phone call and indicated that the Applicant had agreed to cancel claims 18 and 19, originally, therefore, this correction is approved.
